

## SAFE HAVYNN EDUCATION CENTER

### Job Description

Safe Havynn Education Center's mission is meet people where they are and to teach them the knowledge and skills necessary for them to move forward in a positive direction.

SHEC is seeking an experienced Life skills Health Educator to primarily cover South Louisiana area by implementing educational programs consistent with the policies of SHEC and the priorities of the SRAE grant. Educators are expected to deliver the REAL Essentials curriculum throughout our service area. This position is open for 1 10-20 hour weekly position and 1 full time educator working mainly Monday-Friday but will have to teach on the weekends when we have a program.. Travel and Lodging will be provided.

### IDEAL QUALITIES & EXPERIENCE:

Ability to effectively deliver SRAE lessons to high school students and healthcare, education and youth-serving professionals.

Experience conducting outreach activities, including but not limited to participating in health fairs and informing community members about sexual health and agency services.

Ability to meet requirements of educational grants and projects as appropriate.

Contributes to team effort by accomplishing related results as needed.

Keeps current in the field of sexuality education.

Demonstrate ability to establish and maintain effective working relationships.

Travels throughout the service area as required to cover education programs and attend department meetings. Demonstrate the willingness to attend meetings and positively represent the agency at community meetings and events.

Demonstrate an understanding of and commitment to workplace values of respect, care, support, effective communication, teamwork & collaboration, accountability and responsibility.

Performs other duties as assigned in support of mission and as required to ensure delivery of consistent high quality services.

### REQUIREMENTS:

Bachelor's degree, in Public Health, Health Education, Education or related field, or equivalent education and work experience.

A minimum of 2 years experience providing health education, preferred.

CHES or ASSECT certification or in the process of obtaining certification is preferred

Bilingual (Spanish/English), preferred.

Team player with strong interpersonal skills.

Ability to multitask.

Person must be respectful, kind, tolerant, responsible, culturally competent, and have a positive attitude.
